### **More important Information**

#### **Thank You for Prayers**

Most of you may have heard that Sister Immacolata fell and broke her femur last week. . She was setting up the Church for Benediction and Holy Mass, missed the step by the Tabernacle, and fell down hard on her right side. Sister had successful surgery on Wednesday and a rod was placed in her right leg. She is now continuing rehab at Saint Rita's/Mercy Health and is most grateful for your prayers, thoughts and best wishes.

#### **Meet an Ohio Resident on the Path to Sainthood**

Did you know that an Ohio native has been named a Servant of God and that the Cause for her becoming a saint has been accepted by the Church? Rhoda Wise (1888-1948) was a resident of Canton, Ohio, who converted to Catholicism after

being introduced to the Rosary. She suffered greatly for years under serious medical problems, including a permanently injured foot and a 39-pound ovarian cyst that was surgically removed in 1932. Jesus visited Rhoda in her home. He appeared to her 20 times, often with St. Therese, who often visited her alone as well. During her life, some 300-500 people a week came to her home seeking help, and many healings were reported. One of them was received by Rita Rizzo (the future Mother Angelica of EWTN), who visited Rhoda and was advised to pray a novena to St. Therese, which she did. As a young woman, she was seeking help for a stomach ailment which had caused her suffering for years. She was healed overnight. The Diocese of Youngstown opened Rhoda's cause for canonization in 2016. Her home in Canton contains the chair which Jesus sat on when he and St. Therese visited her. In our intercessory prayer for Sister Immacolata, Rhoda is invoked as a special intercessor. It is a gift from God that our state of Ohio has been blessed with this holy wife, mother, convert and stigmatist (every First Friday she received the wounds of Jesus). You can discover more about Rhoda on the internet.
